

Spay/Neuter Agreement

I, _____, adopting the dog named _____ acknowledge that I am adopting an unspayed or unneutered animal from Is Today My Day Rescue (hereafter Rescue). In the event an animal is less than six months of age and is either 1) under 4 pounds in weight or 2) is one of several large breeds which are recommended not to spayed before the age of six months, then I understand that the Rescue's policy is to adopt the dog provided I agree to spay or neuter it when the dog is six months old.

I understand I will be contacted by the Rescue when six months have passed and must provide proof the animal has been spayed or neutered, generally by providing the vet bill. I may be entitled to a refund of part of the fee paid for my dog, as provided in my adoption contract, upon proof the spay or neuter has occurred.

I also understand and agree that if I have not spayed or neutered my dog and cannot provide proof of same to the Rescue that it will confiscate my dog, and I agree to relinquish my said dog to the Rescue, and only to the Rescue, voluntarily at a date and time of our agreement. My refusal to do so may result in legal action by the Rescue, in which event the Rescue is entitled to all damages arising from my failure to relinquish the dog to the Rescue, including but not limited to court costs, sheriff fees and attorneys fees.
